Documentation for applicants

Home page

From this home page, it's possible to:

- log in e-candidat (manage your form and applications),
- create an account (a unic account that lists all your applications in Université Grenoble Alpes),
- consult the degree programs,
- access help topics (FAQ...)
- log out.

You can access this page from the UGA e-candidat application homepage.

You must have or create an e-candidat account to access the application. You do not need an account to see the list of degree programs, or the help topics.

How to log in e-candidat ?

- **Case N°1: candidate already enrolled at the Université Grenoble Alpes**

- **Case N°2: external candidate to Université Grenoble Alpes**

Follow these 5 steps to create your account:

- Click on

Fill the following form:

If successful, the following message appears:

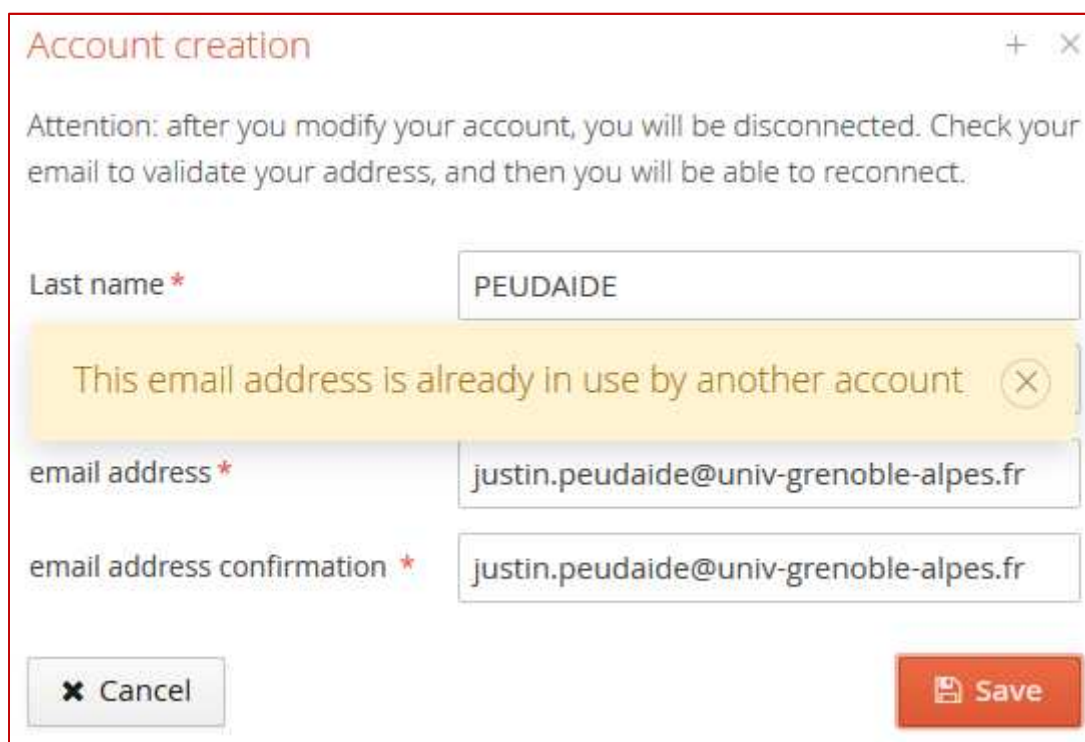

If you see this message:

you will need to check your email and click the account validation link (or copy/paste the link in your browser) in order to activate your e-candidat account.

Warning! This message indicates you already created an account with the same email address:

In this case, you need to request a new password. Click the link:

You'll get an email including your credentials and the connection link.

Please note: links do not work with all email providers; you may need to copy/paste the link into the navigation bar

Forgot your password?

Thanks to this link you can request for creating a new password:

Enter your registration email address in this window:

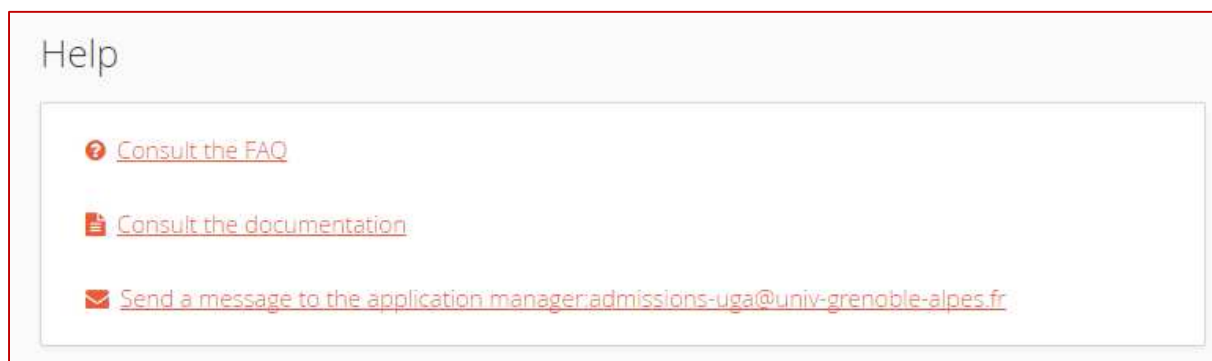

A screenshot of a web dialog box titled 'Identification lost'. The dialog has a title bar with a plus sign and a close 'X' button. The main text reads: 'Enter the email address used for the account creation, an email will be sent with your login and a new password'. Below this is a text input field labeled 'email address *'. At the bottom left is a 'Cancel' button with a close icon, and at the bottom right is a red 'Send' button with a paper plane icon.

You'll get your new credentials (login and password) by email on the email address you entered when you created your e-candidat account.

Need help?

On Homepage, the  icon in the top left menu allows you to consult the Frequently Asked Questions, the documentation or to contact the e-candidat team.

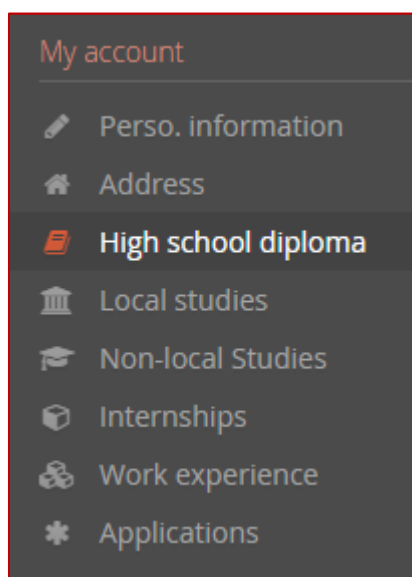

Consulting the degree programs

On homepage, the  icon in the top left menu allows access to the entire list of degree programs which use the e-candidat platform for applications.

Note:

You can move around the account menu by using the previous and next button on the top right.

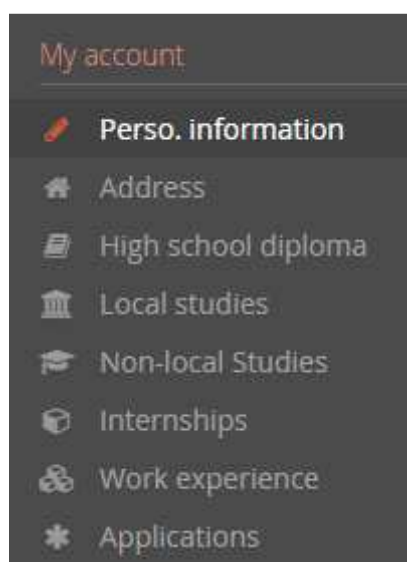

Personal Information

This screen is where you can enter or update your personal information (nationality, INE, phone number, contact email address...)

Access via My account > Perso. information

Once you have logged in, you can get to the personal information screen from the “My account” menu.

Enter your personal data

If you have not yet entered any personal data, you will see the following screen:

You will then be directed to the following window:

Modification of personal information + x
